Congratulations! Greetings from ICRTAC'26!

We are pleased to inform you that your paper ID 971 titled An Unified Machine Learning Pipeline for Early Prediction of Heart Disease, Diabetes Mellitus, and Alzheimer's Disease has been provisionally accepted with Minor /Major Revision at the 9th International Conference on Recent Trends in Advanced Computing (ICRTAC'26), which is being organized by the School of Computer Science and Engineering (SCOPE) of VIT Chennai, in collaboration with IEEE, and will take place on December 10th & 11th, 2026.

This conference is purely on Physical (offline) mode. Online mode is allowed only for the participant staying outside of India.

The reviewers' and Editor-In-Chief comments can be found at your Microsoft CMT login.

Please carefully consider each reviewer comments and prepare a point-by-point response indicating the changes made in the revised manuscript. Incorporate the necessary corrections and improvements into your paper, ensuring that the revised manuscript addresses the reviewers’ concerns and complies with the prescribed IEEE formatting and submission guidelines. please submit a list of changes or a rebuttal against each point that is being raised when you submit the revised manuscript. If you disagree with any comment, provide a clear and well-justified rebuttal.

Upload it by using the edit submission

1. Do not remove the previously uploaded paper
2. Upload a list of changes at each point that is being raised by the reviewer and name the document rebutal_<your paper_ID>.
3. Upload the revised manuscript by adding name and affiliation of all authors in the manuscript and name the document "revise_<your paper_ID>".

Last date for submitting the revised manuscript is 25th October 2026.

After submitting the revised manuscript and once the editor-in-chief accepts the manuscript, you will get the payment link for registration.

The final decision for publishing an article is subject to meeting the quality requirement of IEEE. Do not change anything else in the paper apart from the

Reviewer comments.

Regards,
ICRTAC-2026
